

New Ozone Therapy

Your detox / slimming solution

The Benefits

- ▶ Your ultimate personal sauna for anti aging and longevity.
- ▶ Promotes cleaner, softer, rejuvenated skin.
- ▶ Stimulates weight loss and reduces cellulite.
- ▶ Speeds up the metabolic process resulting in a loss of 200 – 450 calories within a 20 minute session.
- ▶ Increases circulation, oxygen and nutrient delivery within the body, improving brain function and memory.
- ▶ Oxidises toxins which have accumulated within the body. These toxins are then eliminated through the skin, lungs, kidneys and colon.
- ▶ Purifies the blood and lymph. Cleans arteries and veins.
- ▶ Normalises hormone and enzyme production.
- ▶ Supports and enhances the healing process by increasing the white blood cell count, thus stimulating the immune system.
- ▶ Ozone is effective in treating most allergies as it deactivates bacteria, eczema, fungi etc.
- ▶ Promotes relaxation of muscles by reducing the build up of lactic acid. Helps injured muscles to repair more quickly by increasing flexibility, reducing inflammation and relieving pain.

*For best results we suggest you follow our detox guidelines.
